SIR:

In response to the Office Action dated March 28, 2003, please amend the above-identified application as follows:

**IN THE CLAIMS:**

Amend claims 1 and 18 to read as follows:

1. A method of manufacturing a computer-generated chart reflecting the value of a specific intangible asset of interest, comprising the steps of:

establishing a first independent variable and a second independent variable related to the value of said specific intangible asset of interest;

establishing a series of performance criteria statements probative of the value of said first and second independent variables;

scoring each of said performance criteria statements to produce a plurality of
